SURROUNDED BY MYSTERY!

A Great Mistake.

A recent discovery is that headache, dizziness, dullness, confusion of the mind, etc., are due to derangement of the nerve centers which supply the brain with nerve force; that indigestion, dyspepsia, neuralgia, wind in stomach, etc., arise from the derangement of the nerve centers supplying these organs with nerve fluid or force. This is likewise true of many diseases of the heart and lungs. The nerve system is like a telegraph system, as will be seen by the accompanying cut. The blood carries the electric currents along the telegraph wires to every part of the body, large and small. Ordinary physicians fail to regard this fact; instead of treating the nervous system, they treat the disorders arising therefrom.

Franklin Miles, M. D., LL. B., the highly celebrated specialist and student of our diseases, and author of many great treatises on the latter subject, first realized the truth of the first statement, and his Restorative Nervine is prepared on that principle. Its success is certain in all diseases arising from derangement of the nerve system. It is wonderful, as the thousands of unsolicited testimonials in possession of the company manufacturing the remedy amply prove.

Dr. Miles' Restorative Nervine is a reliable remedy for all nervous diseases, such as headache, debility, prostration, sleeplessness, asthma, hysteria, sexual debility, St. Vitus dance, epilepsy, etc. It is sold by all druggists on the Pacific coast, and sent direct by the Pacific Medical Co., San Francisco, on a risk of price \$1 per bottle six bottles for \$5, express prepaid.

Restorative Nervine positively contains no opiate or dangerous drugs.
